## From the District Deputy

My brethren, as we start a spring month with two Official Visits and an Installation, we ought to reflect on the purpose of our Craft.

Masonry is the living embodiment of the divine attributes of Faith, Hope and Charity, and of those other sublime principles taught in the Holy Book, Brotherly Love, Relief, and Truth. The possibilities for the practical application of these cardinal principles of masonry are all around us.

Freemasonry stands today sincerely and steadfastly opposed to selfishness and greed. In the mad rush for gain, Masonry points to the higher things that make human beings happier and better. Unless we in a great measure uphold this noble mission, of helping the less fortunate among us, Masonry will not hold the high rank it should have among the great forces working for the betterment of humanity. It has been the practice of masons from the beginning to awaken the feelings of every initiated brother, and from the faithful discharge of these solemn obligations, Masonry has gained its present honourable position among the nations of the earth.

Let us therefore continue to perform good deeds wherever possible; as the opportunities are frequent. Let us widen out and dig deeper the channels of Brotherly Love.

Then my brethren, if we have fought the good fight; if we have tried to walk uprightly in our station of life, before God and man; if we have endeavoured to square our actions by the square of virtue and inflexible integrity; if we have believed in and practiced the precepts and teachings of that great light, the Volume of the Sacred Law; then we can approach our graves "Like some one who wraps the blanket of his couch around himself, and lies down to pleasant dreams".

May the Great Architect continue to watch over our Craft!

Fraternally,

R.W. Bro. Clair Bracken
